Honourable Chief Justice,

I hereby inform you that I am pursuing criminal charges against Mr. Patrick Gleeson in his personal capacity in Ontario Superior Court. Mr. Gleeson is currently a judge with the Federal Court of Canada. The charges are in direct connection with the subject matter of the proceeding in file T-1450-15.

I am the plaintiff in proceeding T-1450-15 and hereby request that you review the status of the proceeding personally, and that you arrange that a different judge determine the two outstanding motions in this proceeding (Defendant's motion for summary judgment, and Plaintiff motion for leave to amend the Statement of Claim).

Mr Gleeson originally decided the two motions, but his judgments were set aside by the Federal Court of Appeal, and now he conducts himself as Case Management Judge in order to stall the proceeding, although he was not appointed to this Role by yourself, as would be required by the Federal Court Rules. He has hijacked the judicial procedure and suspended the operation of the Federal Court Rules in order to prevent any other judge considering any matter in this proceeding.

Sincerely,

A handwritten signature in black ink, appearing to read 'R. Hociung', with a stylized, cursive script.
