Good afternoon,

As per the request to the port accompanying the NRA on November 3, 2014, a TEPS on-line rating was requested for the goods. As no response has been received as of yet, it would be appreciated if you could please provide the said TEPS on-line rating for the silver coins as well as the gold coins. The said coins are, from what I gather, classified under:

tariff item number 7118.10.00 00 -Coin (other than gold coin), not being legal tender - 6.5% - 20 Silver coins of a Canadian value of \$451.08

And

tariff item number 7118.90.00 -Other Free

10 - - - -Gold coin - 4 Gold coins of a Canadian value of \$5,976.81

If you could provide a response by Tuesday May 19 COB, it would be much appreciated.

If you have any questions, please do not hesitate to contact me at the coordinates below.

Have a good week-end,

## Martine Gagnon
