SUBJECT

Case T-1450-15 Oral Examination for Discovery booking

MESSAGE

Hello Eric,

I would like to schedule an oral examination of Christopher Debski, BSO #11276 at the Queenston Bridge CBSA office. Any time during the day before the Canada Day long weekend would be fine with me, alternately any date after August 19 would be ok also. I expect the examination to take no longer than 2 hours.

What is the reasonable travel allowance I should pay for Mr. Debski's trip?

Thank you kindly
