

Khaled Nawaya

 Al Baghdadiyah Al Gharbiah, Jeddah, Makkah Province, Saudi Arabia

Airport Ground Crew

Services

Airport Ground Crew

Summary:

I have been working for nine years as a flight instructor , which made me interact with different ground crew from all different background and learned a lot about working under stressful situations and help solve problems with a positive attitude. Also, I have taken a role in leadership in order to achieve a successful result and maintain a safe and good standards to help develop the skills of my team. I have great communications skills to achieve the highest level of safety as well as to make the operation efficient and safely conducted.
