How to Buy/Sell Precious Metals

In Canada

In Branch

Online

In Branch

Precious metals can be ordered through any Canadian branch of Scotiabank. Precious metals products can be used as a collector's item, as a gift or simply for the pleasure of owning them. Gold and silver certificates can also be held within a Scotia iTRADE Self-Directed RSP. To open a Self-Directed RSP Account at Scotia iTRADE, visit www.scotiaitrade.com, call 1-888-872-3388 or visit your local Scotiabank [branch](#).

Instructions for how to buy or sell precious metals:

1. Locate your nearest Scotiabank [branch](#). Product can be ordered through any branch (please note delivery times can vary depending on location).
2. Buying Precious Metals
 - :: Required Documentation
 - :: Additional requirements for transactions over \$50,000 CAD
3. Payment can be made by cash (up to CAD \$3,000), VISA or bank draft/certified cheque (Please Note: all bank drafts/certified cheques will be verified with the issuing bank prior to releasing material).
4. Selling Precious Metals
 - :: Required Documentation

For more information, please contact your local Scotiabank [branch](#).

:: Frequently Asked Questions

Online

You also have the opportunity to purchase a selection of gold, silver, platinum and palladium products online via the ScotiaMocatta Precious Metals eStore. The eStore provides you with the opportunity to explore the world of precious metals as well as complete purchases in the comfort and convenience of your own home and all in one visit. The eStore has been designed to give you up to date market pricing and access to exclusive products. Whether you are looking for gold, silver, platinum or palladium, we offer many different coins and bars in a variety of denominations.

For more information, please visit www.scotiamocatta.com/eStore.

* Please note that there is a C\$9500.00 purchase limit per 24 hour period (this limit is subject to change based on market volatility).
